Drop off/Pick up and Parking – Safety Reminders

Please DO NOT Park in the drop off/pick up drive through. Parked cars cause unsafe back up of cars.

Students should enter and exit the vehicles from the passenger side and from the curb lane ONLY.

Handicap spaces should only be used by handicap licensed vehicles. Other parking is available on the parking strip in front and on the side of the building.

Dismissal Changes:

Please contact the office prior to 2:30/2:45 or send a note with your child.

Absence phone calls:

Parents are asked to call the attendance line to report all student absences; *every day* the student is out. (An exception is when a planned absence form has been submitted to the school in advance of the absence). The office cannot assume that because a student was sick one day, they continue to be sick if they do not return. The attendance line is a message line that is available 24 hours a day – call 253.841.8745 and press option 1. Providing these calls by 9:45 am will generally eliminate the system calling to let you know your child was marked absent without an excuse.
